

Dear Parent,

You will find a story attached that will help prepare your child for their first visit at Dr. Amanda's office.

Please read the story to your child several times before their first visit. This way, your child will know what to expect at their visit. Anywhere you see \*\*\* in the story please use your child's name.

Kindly do not add some the following to the narrative.

Sentences such as: "It won't hurt", "She's just checking today", "Don't be scared", "You're not getting a shot today" and others like them, although meant well, may lead to unpleasant expectations.

If you have any questions or concerns please give us a call.

Thank you for choosing our office. We look forward to meeting you soon!

# DR. AMANDA CASWELL BURT

- Meet Dr. Amanda & her husband Josh.
- Dr. Amanda is a Mom. She has two children, Adelyn & James.
- She has two dogs named Annie & Chloe.
- Dr. Amanda is a Tooth Doctor. She helps you take care of your teeth.

\*\*\*'s parents decided he/she was ready to go see Dr. Amanda.

"But I'm not sick" said \*\*\*.

"Why do I have to go to the Doctor?"

Dr. Amanda is a special Doctor, she is a Dentist who helps take care of your teeth.

\*\*\* thought: "Maybe I can bring my favorite stuffed animal with me to get their teeth checked too."

Mom said that was a great idea!

Mom & \*\*\* drove to Dr. Amanda's office. When they arrived they went and said "Hello" to Michelle who was sitting at her desk.

Michelle gave \*\*\* a list of movies to pick from that \*\*\* will get to watch today.

\*\*\* looked around the room and asked if he could go play with the toys and games. Michelle gave him a big smile and said "of course, they are here just for you!"

"This is the waiting room" Mom said. We get to play here until Dr. Amanda is ready for us."

After playing, \*\*\* heard his/her name called. "That's us" Said Mom.

They got up and started walking to the back when \*\*\* saw a big red prize machine, a ticket box and a big board with names on it.

"What is all that?" \*\*\* asked.

Michelle replied  
"These are our  
toy machines,  
you earn  
tokens during  
your visit that  
you get to  
spend before  
you leave on a  
surprise!"

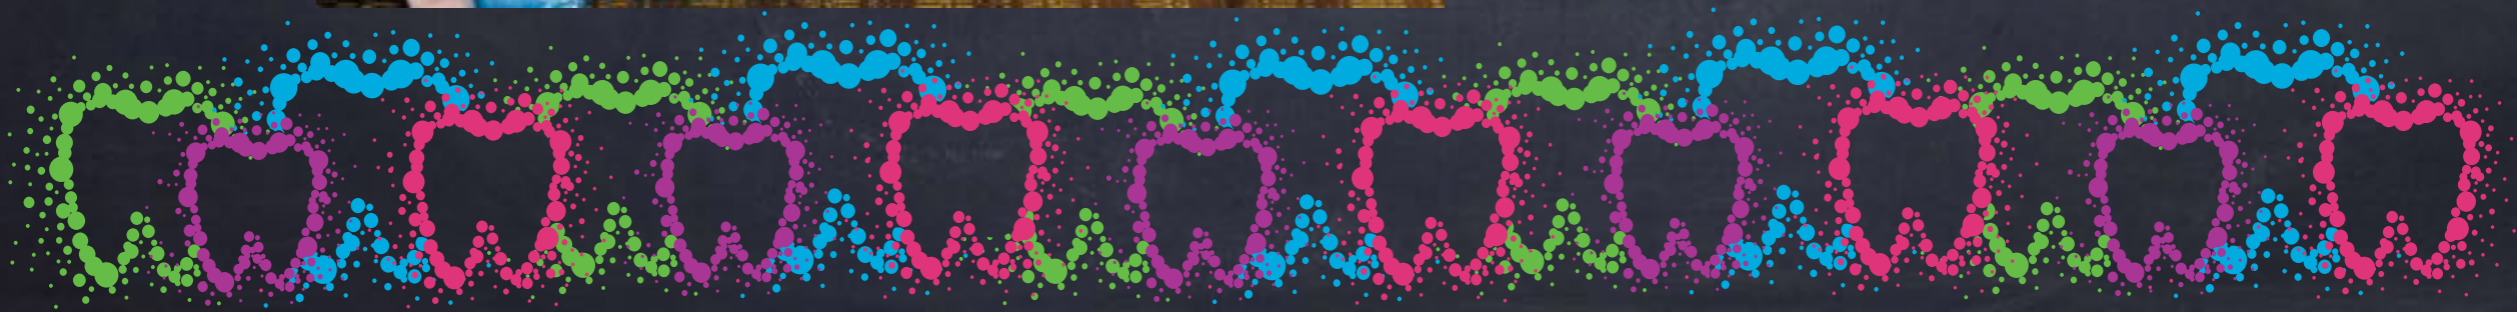

"This is our  
No Cavity  
Club Board.  
If Dr. Amanda  
says you are  
cavity free  
you get to put  
your name up  
there!"

"This is our ticket box. Every time you come you earn tickets. At the end of every month we pull out a name and if you get picked you get to come in and choose a stuffed animal, movie tickets or bowling tickets to have!"

The first thing \*\*\* saw when he came back was a cool looking chair. "What's that? Asked \*\*\*. "That's my magical chair" said Dr. Amanda. "When you sit on it, and if I ask nicely, it moves up and down so I can see your teeth better."

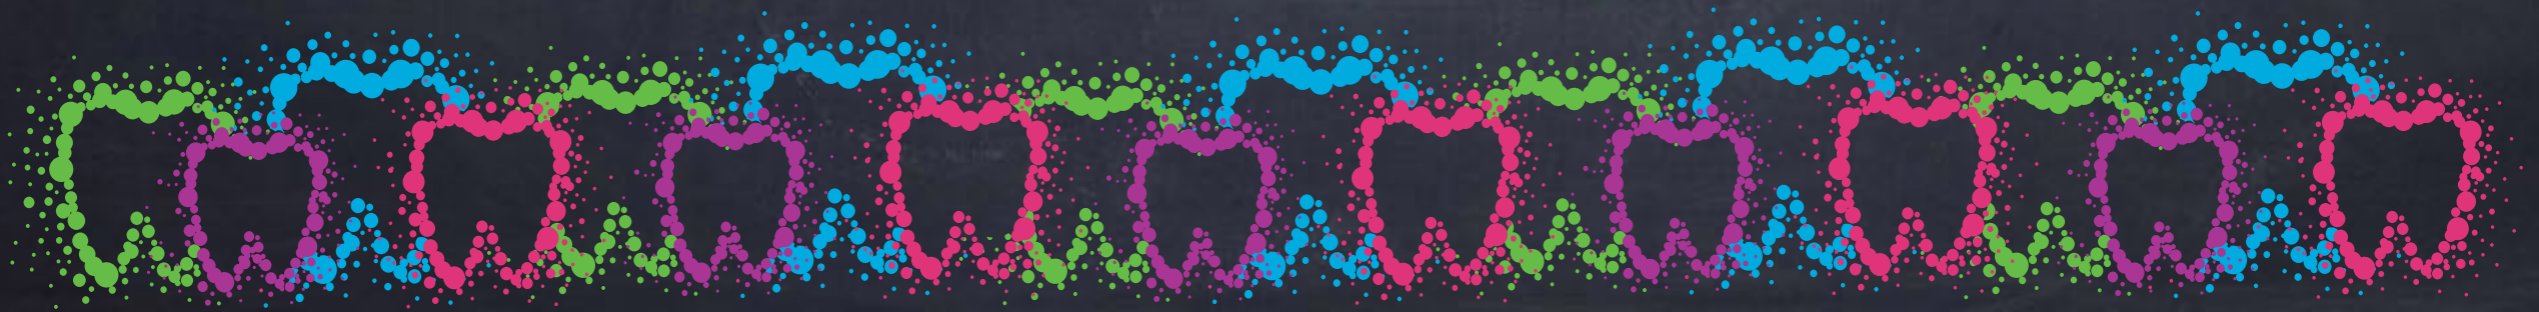

\*\*\* hopped up on the chair and when Dr. Amanda said "Chair, go up please," the chair slowly started going up, much to \*\*\*'s surprise.

"Fun!" Said \*\*\*.

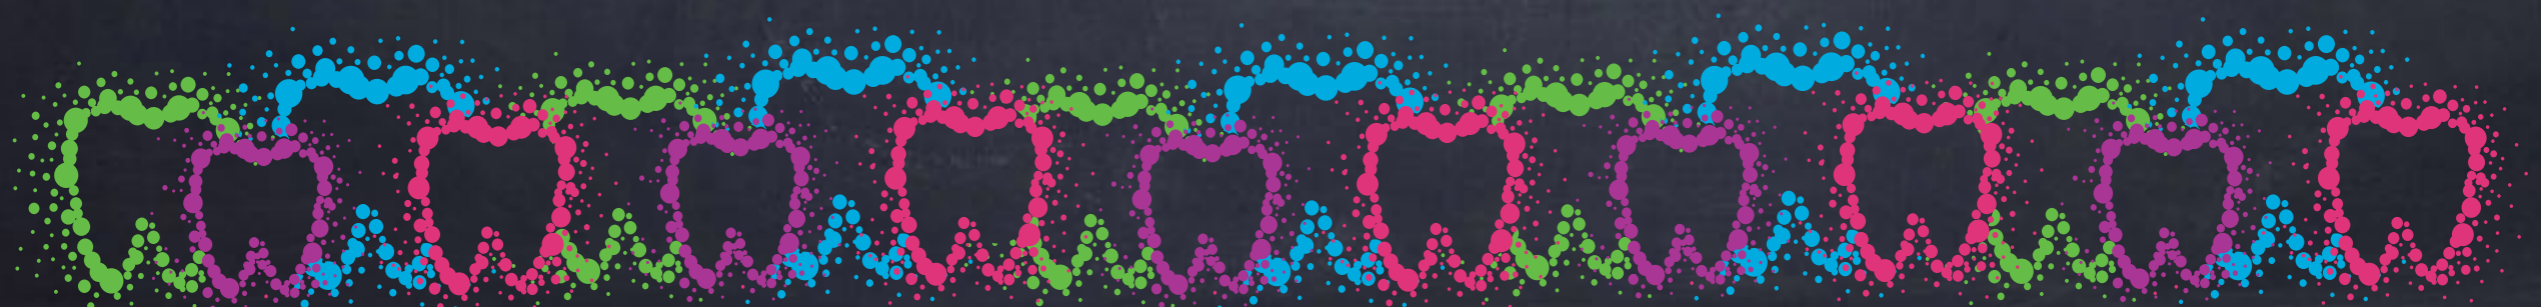

Before Dr. Amanda looked at \*\*\*'s mouth she put on a special pair of gloves so that her hands were clean.

Dr. Amanda said "your mouth is like a dark cave so I use a flashlight so I can count all of your teeth".

"So, how many teeth do I have?" Asked \*\*\*.

"First I need my mirror and tooth counter" said Dr. Amanda. She then proceeded to call out all the names of the teeth she saw. "I counted 20 teeth in there!" Dr. Amanda exclaimed.

For being such a good helper \*\*\* earned a ticket, a token, a no cavity card, a report card and a goodie bag.
